Milestones in Car Renting History

Early Days of Renting

Car renting started in 1906 in Nebraska when Joe Saunders rented his Model T Ford for ten cents per mile.

Introduction of Rental Chains

In 1923, the first major rental chain was born when Joe Saunders established "Rent-A-Car Inc."

The Digital Disruption

The introduction of digital technology has changed the way customers rent cars.

Global Player Emerges

Avis Rent A Car was founded in 1946 and grew to become a global car rental company.
